

AECtech+ London Hackathon

WHERE: Foster + Partners, 22 Hester Road #Riverside London SW11 4AN
United Kingdom

WHEN: April 12th 9am – April 13th 3:30pm GMT+1

Join [CORE studio at Thornton Tomasetti](#) and [Foster + Partners](#) on April 12-13 for an incredible Hackathon at [Foster + Partners](#) London campus right before [Shape to Fabrication](#) 2025!

Create something incredible with a team of your peers during the 26-hour hackathon. Starting on Saturday morning and ending on Sunday afternoon. AEC Tech's Hackathon is an event for all levels of programmers, developers, engineers, and others. Collaborate, network, build new relationships and new technologies for the AEC community.

MORE ABOUT AEC TECH

We strive to offer the most enriching workshops in the latest technologies, engage industry leaders and provide a forum for project growth, development and networking. By serving as a space where creative minds can devise new technologies, acquire skills and make new connections, AEC Tech is helping build an open community of knowledge sharing to promote industry progression and enhance collaboration and communication.
