

# Finding Forms – Grasshopper Online in Spanish

**WHEN:** October 27th – 30th, 2025

**HOURS:** 10:00AM – 2:00PM EST

**COST:** \$295 USD

This course is intended for design professionals seeking to efficiently learn Grasshopper concepts and features in an **instructor-led** online class.

To support and prepare participants, the following courses from [Rhino3D.Education](#) will be included in the training fee:

- [Introduction to Rhino 8](#)
- [Rhino 8 Intermediate](#)
- [Computational Design with Grasshopper](#)

The online course will last four days, with eight sessions scheduled from Monday to Thursday, October 27th-30th. Each day will include a 15-20 minute break. Sessions will be recorded and made available the following day.
