

Rhino World 2026

WHERE: Hotel Rey Don Jaime Castelldefels (Barcelona)

WHEN: October 21-23, 2026

[Rhino World](#) is the official international event dedicated to the Rhino and Grasshopper ecosystem. Three days of talks, demos, and conversations that will bring together the global Rhino community – McNeel staff from every region, industry experts, third-party developers, and computational designers, all in one place.

Early bird pricing ends August 4th – [register now](#) to lock in the best rate.

WHAT'S IN STORE:

- Keynotes, guest speaker sessions, and hands-on masterclasses
- Live demos from exhibiting partners and solution providers
- An inside look at the Rhino and Grasshopper roadmap – WIP, Grasshopper 2, Rhino Compute, the new Rhino MCP Platform, and more
- Included coffee, lunches, and dinners (two evenings of networking events)
- A sea-view venue just 10 minutes from Barcelona Airport

Guest speakers already confirmed include voices from Foster & Partners, Sagrada Família, Volkswagen, Controlmad, Nataly Khadziakova & Giles Miller Studio, Design-To-Production, Her Table Talk.
